Admissions Policy: 2021 - 2022

For admissions to the Reception Year application must be made through Telford and Wrekin Council by 15th January in the academic year prior to which your child is due to start school. All applications received by this date will be considered and parents will be informed by Telford & Wrekin Council on 16th April if they have been allocated a place for their child. Please see the Parents Guide to Education booklet on the Telford & Wrekin website (www.telford.gov.uk) along with details of the admission arrangements.

Admissions Criteria:

Children with a Statement of Special Educational Needs or Education and Health Care Plan which names Coalbrookdale & Ironbridge CE Primary School will be allocated places. After which, places are allocated up to the Published Admission Number of 30 according to an agreed set of criteria in strict order of priority as shown below.

1. Those children who are or were previously looked after by Telford & Wrekin or any other local authority in England but ceased to be so because they were adopted as defined in the School Admissions Code.
2. Those who live within the boundaries of the ecclesiastical parishes of Coalbrookdale, Ironbridge and Little Wenlock and that part of the ecclesiastical parish of Benthall that lies within Telford & Wrekin will have priority of admission. If there are not enough places for all of the children in the catchment area then the following criteria will apply in order:
 - 2a. Priority will be given to children living within the catchment area who will have an older sibling at the school on the day they are due to start school.
 - *2b. Those who are at the heart of Ironbridge, Coalbrookdale or Little Wenlock Churches (regular members of the congregation) for at least two years before the deadline for admissions set by Telford & Wrekin Council.
 - *2c. Those who are at the heart of a Christian Church elsewhere (regular members of the congregation). One which adheres to the doctrine of the Trinity to define "Christian" denomination for at least two years before the deadline for admissions set by Telford & Wrekin Council.
 - 2d. Children of staff – children whose parent is a member of staff who has been employed at the school for two or more years at the time of application or has been recruited to fill a vacancy for which there is a demonstrable skill shortage, who have been employed for two or more years.
 - *2e. Children of Incumbents and Curates of Coalbrookdale, Ironbridge and Little Wenlock benefice, who have been recruited to fill these posts.
 - 2f. After that, priority will be given to other children who live within the catchment area.
3. If there are spaces still available after the above criteria have been applied, children living outside the designated catchment area will be offered places according to the following criteria:
 - 3a. Children who will have an older sibling at the school on the day they are due to start school.
 - *3b. Those who are at the heart of Ironbridge, Coalbrookdale or Little Wenlock Churches (regular members of the congregation) for at least two years before the deadline for admissions set by Telford & Wrekin Council.
 - *3c. Those who are at the heart of a Christian Church elsewhere (regular members of the congregation). One which adheres to the doctrine of the

- Trinity to define “Christian” denomination for at least two years before the deadline for admissions set by Telford & Wrekin Council.
- 3d. Pupils in receipt of early years premium or pupil premium at the point of submitting the application request
 - 3e. Those children who are or were previously looked after by any local authority in outside of England but ceased to be so because they were adopted as defined in the School Admissions Code.
 - 3f. After that, priority will be given to other children who live outside the catchment area.

Each category will be rank ordered according to the distance from home to school as a straight-line measurement.

***Due to the Covid 19 pandemic the following amendments apply:**

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Notes:

A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives who take up residence in a home in order to establish an ‘in catchment area’ address will not be given priority under the sibling criterion.

For admissions purposes all distances are measured as a straight-line distance on a computerised mapping system between the home address and the nearest entrance gate of the relevant school by pinpointing their eastings and northings. The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest the ground floor will be deemed to be the nearest in distance.

In the event that two applications are exactly the same after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

If unsuccessful on allocation day, Telford & Wrekin Council will offer a review when the waiting list will be formed from those parents who advise the Admissions Team that they wish to pursue a place at the school. At the end of the review period, parents who have still not been successful in securing a place have the right to appeal against the decision. Parents may remain on the waiting list from the review period onwards.

For the first term of Reception, Telford & Wrekin Council will continue to maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants on the waiting list in strict accordance with normal published oversubscription criteria.

Mid-term or In-Year applications

Mid-term/In-Year applications will be dealt with using the same admissions criteria given above. To apply for a place other than the start of Reception, parents should apply directly to the school on a mid-term application form available on the Telford and Wrekin Council website (https://www.telford.gov.uk/school_admissions/changing_schools) or from school. If there is a space in the relevant year group a place will be granted. If the application is for a place in an over-subscribed year group then the Headteacher will meet with admissions governors to consider whether additional places can be offered above the published admission number.

If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision from Telford & Wrekin Council Admissions Team.

Other than the first term of Reception, the school will maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants included on the waiting list in strict accordance with normal published oversubscription criteria. If a place can be offered the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date, with the exception of Reception children who have deferred entry until later in the same academic year. If an offer of a place is refused, the name will be removed from the waiting list. At the end of the first term of the academic year of admission, the waiting list will transfer from Telford and Wrekin Council to the school.

Allocation of places for children moving into Telford & Wrekin Council's designated catchment area can only be considered when formal confirmation (signed tenancy agreement when no property is owned, or exchange of contracts) of the address has been received.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school.
